Commit to (at least) 15 min a day for quiet reading and prayer. Embracing this habit may be the most life-changing opportunity.

Start with 30-60 seconds of silence, taking deep breaths to quiet your mind and heart. Pray this prayer: "Speak Jesus, I'm listening."

## Practical

For **Revelation** and **John**, read on the first day, or consider rereading each day, or break into small chunks through the week.

Reading Tips

Read the **Psalm** for the day as a prayer, speaking to God and letting God speak to you. Pick one line that stands out to you as your personal prayer for the day.

Start wherever you are, not where you think you should be.
