

CONVERSATION STARTERS

SOUTHRIDGE COMMUNITY CHURCH

Apr 27, 2025

EAT TOGETHER | *Showing up regularly to share life and build relationships*

1. What advice would you want to give your younger self?
2. When you were a child or teenager, was there a person who had a positive impact on your life?
3. Advertising slogans are powerful. Which Advertising/Sales slogan have stuck with you?

PRAY TOGETHER | *Joining in on conversations of life and faith*

1. What stood out to you in this week's service? Was there a song that spoke to you? Was there a moment when you sensed the presence of God? Did you meet someone new? Did you learn something from the message? Feel free to watch the message [recap](#) to review the big ideas of the message
2. Read Deuteronomy 6: 4-9 in a couple of versions (including 'The Message').
 - a. Why do you think Moses' directives on the way to engage with the instructions from God are so detailed?
 - b. Is there one of those recommendations that you find or have found most challenging to practice?
 - c. What parts of this passage feel encouraging?
3. Mike provided us with some statistics. How did those feel? Share what you have observed?

LOVE TOGETHER | *Being real to care and make a difference*

1. If you are a parent/caregiver, are there challenges that you face when it comes to fostering spiritual development in your child/teen? What might be a small step for you in response to the invitation from Mike's message? What small step can you take in your own personal spiritual growth? What small step might you take in building faith at home for your children/teens?
2. The Home Depot motto of "You can do it! We can help!", is so appropriate in thinking of ways that we can lead and support families at Southridge. Who in your circle of friends and/or family (a couple with children, or a single parent) could you come alongside and support in their role of passing on faith to the next generation? Would you be willing to make that investment? What might a small step look like for you?
3. When you think about the next generation here at Southridge, what role might you play? What is your next step? How can we support you in that step?
