Dear Baptism Participant:

Thank you for considering the step of baptism as an important step in your faith journey with Jesus Christ. We're thrilled that you've offered us the opportunity to walk with you through this exciting process and trust that God will meet with you significantly as you diligently seek to follow him in baptism.

To help you prepare spiritually and practically for your baptism, we've put together this information package that we hope will be a meaningful part of this journey for you. Pages two through six of the package are a brief Bible study that reviews the basic teachings of the Bible concerning our lives and Jesus' role in them, as well as the practice of baptism, its symbolism and meaning. **Take whatever time you need to work thoughtfully and deliberately through these study sheets**, with a Life Group or Ministry Team leader or member, a Christian friend or mentor guiding you through this process of discovery and answering any questions you may have along the way.

Page seven is intended to help you compile "Your Story with God", your personal spiritual history of God's involvement in your life. Use this page as a guide to help you discern which portions of your story have been most relevant and meaningful to you as you reflect on your life with God. Once you've answered these questions, **on one separate sheet of paper write out your story, as you would like to have it told by video on the baptism morning.** (Please do not feel obligated to share anything that makes you, or could make others potentially uncomfortable!) We ask people to publicly share a 90 second version of their story by video at their baptism to let us celebrate as a community what God has done in your life. We hope to encourage those who have participated with you in your faith journey, and to inspire others who may be at a similar place in their own lives. Maybe God will use your story as a critical part of someone else's decision to follow Jesus with their lives!

Please **fill out the relevant portions of the registration sheet and return it, either to the Welcome Centre** on Sunday or to the church office during the week, as soon as possible and no later than three weeks prior to your desired baptism date. (Any registrations arriving later than that may be subject to rescheduling.) At that point, we'll contact you to set up a time for you to meet with a pastor and an elder to share your story, chat about what God's been doing in your life and talk about baptism.

Thank you again for considering following Jesus in the steps of baptism. Please feel free to contact us at baptism@southridgechurch.ca if you have any questions. May God bless you in the journey of discovery and celebration with him!

On behalf of the leadership of Southridge Community Church.

Baptism is the outward, public symbol and a natural act of obedience acknowledging the fact that Jesus has forgiven us and is changing our hearts and lives.

Your Story with God

In a separate, typed, one-page document, please describe your experience with God by touching on the following elements of your story. Use the lined sections to make preliminary notes. Keep in mind two words of encouragement:

Please do not share anything in your story that would make you uncomfortable or that would shame, embarrass or hurt loved ones or others in our community. Please only include information that will be helpful for building up you and those who will hear it.

Please do not mention other church denominations in your story.

Please remember that there are people sitting in the seats who, right now, are where you were. Treat your story as the one and only opportunity you'll ever have to say to them what you wish someone had said to you about Jesus. Let God use you to inspire them to make some of the changes God is making in you.

- a. In about 150 words (about 1/3 of a page), briefly describe your spiritual life before you decided to trust Christ. What kinds of choices were you making? What were the consequences of those choices?

- b. In about 150 words (about 1/3 of a page), briefly describe when and/or how you finally decided to make Jesus the Forgiver and Leader of your life. What prompted that decision? Who was influential in it?

- c. In about 150 words (about 1/3 of a page), briefly describe the difference that Jesus is making in your life. How have you seen your life start to change as you give your life and will totally to him?

THINGS YOU NEED TO KNOW FOR YOUR BAPTISM

What to Wear

You are advised to wear a dark shirt and pants. Clothing made of material that retains minimum amounts of water is recommended. Ladies, we encourage you to wear a one-piece bathing suit under your dark shirt. Please wear these clothes to the service and bring a change of clothes and towel.

What to Expect

Please be prepared to meet with the baptizing officiator at the front of the auditorium 15 minutes prior to your baptism service for last minute instructions on the flow of the morning and what to expect.

Just prior to the baptism portion of the service the baptism officiator and all participants will move to the entrance of the baptism pool backstage. The baptism officiator will enter the pool first to make introductory comments and then invite the participants one by one into the baptism pool.

When it is your turn to be baptized, you will enter from backstage into the baptism pool and move to the front. You will meet the officiator at the front of the pool. The officiator may dialogue with you briefly or ask you a question regarding your decision to accept Christ. For example, “ Mary, have you accepted Christ as your Lord and Savior?” Or “ John, have you died to self and given your life to Christ?”

After you say, “Yes”, the officiator will say, “I baptize you in the name of the Father, the Son and the Holy Spirit.” The pastor will then immerse you backward into the water. This is quick; do not worry, you won’t be underwater long. You will need to bend your knees, to assist the officiator in lowering you down and lifting you up. Afterwards, someone will direct you to an appropriate location for purposes of towelng off and changing into a new set of clothing.
