

Sundays and Inspiration resources and supports:

- [Sunday Services Online](#) – For the foreseeable future, we will be hosting Sunday services online. These services are being designed and delivered to maximize the online participate experience. In otherwords, this isn't simply a YouTube Playlist and the video message. We encourage everyone to join us at 10:00am on Sunday mornings and participate along with our entire community across Niagara as we continue to practice our faith together in ways that lean into God like never before.
- [Live Chat](#) – During our online services, a chat icon will appear on our website for anyone who want to chat with a pastor about anything that's going on in your life. The chat feature connects you instantly to a live pastor and all chats will be kept confidential.
- [Prayer Wall](#) – Challenging circumstances can inspire us to pray like never before and right now our *Prayer Wall* is one place where we can digitally connect as an entire church to build spiritual community like never before. Maybe you've never posted a request or taken the moment to pray for someone else, but in this season, let's take our communal prayer life to the next level as we look to God together in all that we're facing.
- [Daily Quiet Time & Spiritual Practice Resources](#) – During this season of social distancing, we want to stave off spiritual distancing as much as possible. We encourage everyone to take advantage of suddenly available time and isolation to lean into the practice of daily quiet time with God. In much the same way as 30 minutes of physical exercise can go a long way to keep us physically fit, carving out a half-hour of quiet time for Bible reading, meditation and prayer can go a long way to maintaining our spiritual health. We have created a host of resources, from Breath Prayers and Guided Reflections to Worship Playlists and Recommended Devotional Books.
- [Community Bible Reading Plan](#) – As a community, we would love to encourage everyone to read through a book of the Bible together for the next month. The Book of Acts tells the story of the early church, gathering together in worship and prayer, experiencing the miraculous and life-transforming work of the Holy Spirit, sharing message and love of Jesus, both with powerful word and meaningful action, and spreading the kingdom of God across the then-known world. It is a powerful story and and inspiring reminder of the ways God wants to be at work in our lives and in our world today. Join us as we invite God's word to inspire in each of us a fresh vision and renewed enthusiasm for the way Jesus wants to continue to live His life through us, the church.
