LEADER CHECK-IN

1. Have you created a Community Video yet? We love sharing these videos as a part of our weekly services, and we'd love for you to make one and send it in! [Here's the link](#) to instructions and how to share your video.
2. Next week Sunday (March 7th) we will host our monthly [Virtual Lobby](#) after the 10:00am premiere of the online service. This is a great space where you can connect with others across all three locations of Southridge. Like you might connect in a physical lobby, you can say hi to old friends and also meet some new ones. We would love to have you join in from around 11:00-11:30 next Sunday morning.

GET STARTED

1. Feel free to watch [this week's service](#) as a group or [revisit the message](#) for review.
2. Take a look again at the Spiritual Practices exercise that Mandy lead us through in the service. Reflect again on where and how you need to push past your comfort zone, to grow new spiritual muscles (trust, generosity, love, forgiveness, inclusivity, etc.). This week's Spiritual Practice can be found [here](#).
3. Consider getting the practices page that helps you to stretch your spiritual muscles every day of the week (Monday – Friday), as a way to grow a deeper relationship with Jesus. The resource can be found [here](#).

READ & REFLECT

1. Read through [Exodus 11:1-10](#) and [Exodus 12:29-42](#). After reading the verses, is there anything you feel might be God trying to get your attention?
2. Take a few minutes and process why you participated in today's service? What does it mean to you to be able to worship God? How has it felt to be worshipping more from home this past year? How can you make worship vibrant this week?
3. What does worship look like in your day to day living? If worshipping God is not part of your regular life, what do you think you might gain by committing to worshipping God a little more? If it is part of your life, how could you more deeply commit to worshipping God in the time you spend with Jesus?

RESPOND

1. What could it look like to increase the way you worship God? Know that it is okay to start slowly, but consider what a daily commitment, or a deeper commitment, could look like to grow a life of full devotion to Jesus.
2. This week, we would love to encourage you to try Communion at home. Whether you do this with your Life Group, your family, or even over Zoom with others who you would like to celebrate with, you can keep it simple by adding to a meal or sharing in a snack that includes bread and juice, pausing for a moment to thank God for what He has done in Jesus. Start by reading from 1 Corinthians 11:23-26, and then take some time this week to worship God for sending Jesus to save us from our sin through Christ's death upon the cross and worship God because Christ rose from the grave; we have been liberated from death to life by Jesus' death and resurrection.
3. Pray that God might give you a heart of worship this week.
