## WELCOME TO SOUTHRIDGE!

We're glad you're here. If it's your first time we invite you to stop by our *Welcome Centre* after the service. We'd love to say hello, answer any questions you may have, and give you a gift (*no strings attached*) to say thanks for joining us!

## TODAY'S SERVICE

*An early Sunday morning that changed the course of humanity: that's what we celebrate at Easter. Today we'll hear stories of faith and transformation, and we'll celebrate new decisions through baptism!*

### Share Your Story

Stories are the heartbeat of what God is doing in the world. That's one of the most exciting things about baptism, hearing how Jesus has been at work in someone's life. If you'd like to be baptized or just want to talk to someone about the process, please email us at: [baptism@southridgechurch.ca](mailto:baptism@southridgechurch.ca). You don't have to commit to anything; it's simply a chance to begin the conversation.

But the stories don't stop there.

Whether you've been baptized or not, we would love to hear what God is doing your life. How have you been impacted this Easter? How have you seen God working in your relationships? What have you been learning about faith? What has been difficult recently?

If you have something to share, feel free to email us, post on our Facebook page, or complete the "Coffee Anyone" section and we'll be in touch.

Let's keep living and sharing our stories together!
