WELCOME TO SOUTHRIDGE!

We're glad you're here. If it's your first time we invite you to stop by our *Welcome Centre* after the service. We'd love to say hello, answer any questions you may have, and give you a gift (*no strings attached*) to say thanks for joining us!

TODAY'S SERVICE

Why does it sometimes seem like all God wants is our money? Could Jesus just tell us how much we really have to give? But what if Jesus is more concerned with "how" than "how much"?

Be Generous

Our next steps this morning are simple: be generous with the resources you've been given. There are many ways to do this in daily life as a generous tipper, hospitable host, and a financial support to friends or family in need. And there are many ways to do this at Southridge through regular offerings, anchor cause initiatives, and capital campaigns.

But this week, practice being generous by giving "away" to another cause or organization worth supporting.

Here are a few ideas to get you started:

- Lend to an entrepreneur in the developing world at Kiva.org. You can join Team Southridge who has lent more than \$30k over the last decade at kiva.org/team/southridge_community_church
- Give a one-time family gift to your sponsor child through Compassion Canada. Visit compassion.ca for details or email Tim Arnold (tarnold@southridgechurch.ca) to start sponsoring
- Support ongoing efforts toward refugee resettlement through Mennonite Central Committee. Go to mcccanada.ca/learn/what/refugees to learn more
