WEEK OF JANUARY 7TH, 2018

Welcome to Southridge!

We're glad you're here.

If it's your first time we invite you to stop by our **Welcome Centre** after the service.

We'd love to say hello, answer any questions you may have, and give you a gift (*no strings attached*) to say thanks for joining us!

today's service

STARTING POINT: How can I grow spiritually?

At the outset of a new year, we tend to think of resolutions, goals and fresh starts. From diets to habits to relationships, we consider how life might be better in the year ahead. But what about our spiritual lives? What about the health of our soul? What about the condition of our faith? As we kick off 2018, how can we grow spiritually?

SPIRITUAL EXERCISE: TAKE HOME VERSE

As we kick off a new year together, exploring how we can grow spiritually, we want to support you with a take home verse to keep the importance of spiritual fitness front and centre.

Physical fitness has some value, but spiritual fitness is valuable in every way, making you fit both today and forever. ~ 1 Timothy 4:8

For a daily reminder, download a phone or desktop wallpaper at southridgechurch.ca/verse.

At the start of a new year, as we consider resolutions, goals and fresh opportunities, let's commit to a spiritually healthy 2018!

this week

Discover Southridge is an opportunity to learn more about our community. Join us next week after the service in your location!
