WEEK OF JANUARY 14TH, 2018

Welcome to Southridge!

We're glad you're here.

If it's your first time we invite you to stop by our **Welcome Centre** after the service.

We'd love to say hello, answer any questions you may have, and give you a gift (*no strings attached*) to say thanks for joining us!

START THE PARTY: The Power of the Party

What's the best way to share the love of Jesus? Invite someone to church? Give them a Bible? What about throwing a party? Maybe more than anything else, Jesus was known for partying. So what does that mean for his followers? What if we start the party and find out?

CONVERSATION STARTERS | THE POWER OF THE PARTY

As a reminder for Life Groups or anyone interested in processing today's service with friends or family, we produce Conversation Starters each week that can be found on the messages page of our website. Here's a sampling of some questions you could discuss over lunch:

- 1) Describe the best party you've ever been to (as appropriate ;) What makes a great party in your experience?
- 2) Based on today's message, what do you think about the reputation Jesus developed in his day? How is this similar to or different from the reputation of Jesus today?
- 3) How does today's description of the church compare with your experience? Based on reputation? Based on upbringing? How about your experience of Southridge? What do you think would make our church feel more like the ongoing "party" described in the book of Acts?
