# today's service

## EXPLORE RESURRECTION

This much we know: dead people don't become alive again. Yet, the entire Christian faith rests on this single claim. What do you do with that? How can someone believe in Jesus if that means believing in resurrection? What if you could explore for yourself?

## ONE CHURCH: PRAYER + PRACTICE

When it comes to experiencing God in the busyness of life, it can be hard to know how to tap into his presence. Sunday services inspire us, but sometimes only take us so far. That's what our **Prayer+Practice** nights are all about, giving us further opportunities and resources to experience the presence of God in all aspects of life — to deepen our understanding of spiritual practices and grow in a lifestyle of faith and inspiration.

It will be a night of worship, prayer, reflection, and a chance to try a spiritual practice. We hope to see you there!

Monday, April 23rd at our Vineland Location at 7:00pm.

## PRACTICE THIS WEEK | CONFESSING OUR FAITH

Faith isn't certainty; it usually lives somewhere between conviction and doubt. We get that. We also believe that confessing our faith has value in shaping our faith, helping us continually wrestle through doubts, questions and convictions.

This week, we encourage you to practice confessing the Christian faith in one of two ways, by either listening to the song we closed our service with, **"This I Believe"** by Hillsong Worship ( which can be found at [southridgechurch.ca/playlist](http://southridgechurch.ca/playlist)) and/or by reading what's known as **"The Apostle's Creed."** Both can be found on our website, social media or by Googling.
