# today's service

## THIS IS US: BE BRAVE

Is God a man? Not according to the Bible... So in a historically male-dominated environment like the church, how can we learn to tap into the maternal nature of God? How can we empower women to be all they've been created to be? Rather than discouraging female empowerment, what if we could inspire a generation of BRAVE women?

## SOUTHRIDGE BRAVE GIRLS

*Southridge BRAVE Girls* is an invitation and investment into Grade 6-8 girls in our community. It's a three-year program that fosters a healthy sense of identity, instills confidence and a spirit of leadership in young women -- leaders and influencers that the church and the world desperately need. As a spiritual family, let's keep this much-needed ministry in our prayers.

## NEXT LEVEL LEADERSHIP

*Next Level Leadership* is a two-year leadership course for women in key leadership positions at Southridge to grow in their presence and influence in our community. We've seen incredible impact from the first co-hort of graduates and are excited to be investing in our second co-hort while continuing the growth and development of alumni.

For more info about these programs contact Carrie Jones at [cjones@southridgechurch.ca](mailto:cjones@southridgechurch.ca).

## BRAVE WOMEN | BY ELLEN DUFFIELD

Check out the compelling new compendium addressing the need for meaningful female empowerment in our world from our friend and consultant, Ellen Duffield, at [bravewomen.ca](http://bravewomen.ca).
