today's service

VISION SUNDAY - PART 2!

Today we are excited to hear from our Location Pastors about way they are looking forward to living out God's vision for each city in the coming year.

DREAM BIG, THINK SMALL | DAY 1 STARTS TOMORROW

Our six-week community devotional, "*Dream Big, Think Small*", kicks-off tomorrow starting with Day 1 on page 17.

The book includes five small chapters each week, intended to be read in 5-10 minutes a day, Monday to Friday. So whether it's first thing in the morning, at a coffee or lunch break, after work, or right before bed, commit to a time starting tomorrow when you can participate on the journey of being faithful in the small things.

If you didn't get your copy of the book last Sunday, they are available in the lobby this morning. We want everyone to receive and enjoy this resource, so be sure to pick up your copy today.

If you're able to help cover the costs of the book, a \$10 payment can be made at the Welcome Centre or online, but don't let the cost stand in your way of taking one today.

Also, consider following us on Facebook & Instagram, or checking out the prompts near the red board in the lobby as we engage together in this experience over the next six weeks.

On The Cover: Being 'faithful in the small' while cooking in the Shelter kitchen.
