WEEK OF NOVEMBER 4, 2018

## Welcome to Southridge!

We're glad you're here.

If it's your first time we invite you to stop by our **Welcome Centre** after the service.

We'd love to say hello, answer any questions you may have, and give you a gift (*no strings attached*) to say thanks for joining us!

# today's service

## BLIND SPOTS

The gap between the global rich and the global poor is substantial. In North America we “have” a lot, and in some parts of the world, people don’t “have” nearly as much. But is this the whole picture? Or are we missing something? What if we could redefine the gap between “rich” and “poor” and realize there might be more than meets the eye?

## EYES TO SEE | COMMUNITY DEVOTIONAL

As we begin the journey through this year’s Hope Lives series, we want to resource your lifestyle of compassion and justice beyond our Sunday services. That’s why we’re making the “**Eyes to See**” **six-week devotional and reflection guide** available to our community.

We hope this can serve as your personal and relational guide to growing a heart and life that is for the global and local poor.

**Copies are available in the Lobby, one per household.** Pick one up for your family or a group of friends.

**Life Group Leaders**, be sure everyone in your group gets one, cause this will serve as the discussion guide for the next six weeks. We will also make the accompanying small group guide available online.

**On The Cover:** Serving together, while preparing meals for the Alpha Course.
