today's service

STARTING POINT | LIFE'S GREATEST RESOLUTION

A new year. A fresh start. A chance to set goals. A chance to dream big. A chance to resolve. But of all life's resolutions, are there some that are more significant than others? What's the most critical resolution of all? Join us for Starting Point as we kick off the year together looking at life's greatest resolution!

CLOSING THE GAP IN 2019

Ask yourself: Where am I at in my spiritual life these days? How well am I doing at putting God at the centre of my life? Draw a hash mark on the scale below, between 0-10, to visualize the state of your spiritual well being.

Assuming we all have room to grow, rather than focusing on the placement of your mark, let's focus on the gap between where we are and where we sense God leading us. Because the thing that matters more than where we are is what it's going to take to move closer to where we want to be.

What step will you take in 2019 to close the gap?

On The Cover: Building faith foundations in our Little Lights program.
