WEEK OF MARCH 10, 2019

## Welcome to Southridge!

We're glad you're here.

We'd love to say hello, answer any questions you may have, and give you a gift (*no strings attached*) to say thanks for joining us!

# today's service

## START IN THE HEART

It's a common belief that you have to use your words to get what you want. From arguing to asking, we try to wordsmith our way to get what we're after. But what happens when our arguing with others stands in the way of our asking of God? What does it take to become a voice God can use? Where should we start if we want change the tone of our voice?

## WAKE UP WITH A FREE SONG DOWNLOAD

In response to this morning's worship experience, helping us wake up both physically and spiritually after losing an hour of sleep this weekend, **we're making a free download available of the song "Night Has Passed" by The Brilliance.**

We invite you to download the tune and **make it your alarm tone this week** so that you can roll out of bed with gratitude for the gift of each day.

**FREE DOWNLOAD:** [southridgechurch.ca/nighthaspassed](http://southridgechurch.ca/nighthaspassed)

*We're thankful to our friends at The Brilliance for allowing us to freely share this song with our community. If you enjoy it, we encourage you to check out more of their music or visit them online at [thebrilliance.com](http://thebrilliance.com).*

**On The Cover:** Having fun and working together at the Southridge Jam Co.
