WEEK OF SEPTEMBER 1, 2019

Welcome to Southridge!

We're glad you're here.

If it's your first time we invite you to stop by our **Welcome Centre** after the service.

We'd love to say hello, answer any questions you may have, and give you a gift (no strings attached) to say thanks for joining us!

today's service

HITTING THE REFRESH BUTTON

If you've seen the movie, "Groundhog Day", you know the feeling of being trapped in an endless cycle of doing the same thing over and over again, every single day. But the surprising twist is that, when you do the same thing again and again, after a while you actually get pretty good at it! What if, more than any of the big one-time decisions that feel so important at the time, it's actually all the little things we do over and over again, every single day, that have the greatest power to shape us?

BAPTISM

As we wrap up our Refreshing Faith series and you consider the next steps in applying these steps to your own life, perhaps you are considering baptism.

We will be holding a Baptism Service on **Thanksgiving Sunday, October 13.**

If you would like to take this next step or just have further questions about what baptism means, we encourage you to talk with your Location Pastor or email us at: baptism@southridgechurch.ca
